"Spring is nature's way of saying, "Let's Party!"

—Robin Williams

The arrival of March = coming of Spring! Hurrah!

But if you suffer from allergies, you might be dreading the yellow cloud. Let's get you the right help—the pollen index does not have to control your schedule this year.

We have specialized juices, **smoothies**, and a host of natural solutions available to help your body feel less under seige. If you're not sure where to start, check out our natural allergy remedies [blog post](#), and consider hay fever a thing of the past! Or, at **20% OFF**, why not give **Hybrid Remedies Hybrid AR** a try? It offers rapid nasal and sinus support.

And what else is **20% OFF** this month??

**ALL +PlusCBD™ Oil**—that includes **all** CBD hemp oils, gummies, and pet CBD products! *Hurry in, this sale is while supplies last.*

March also marks the *arrival of polar bears* to North Carolina.

Come again?

**Polar plungers! Join Steve Long and friends to represent Team Harmony Farms** in a polar bear plunge jump this Saturday, Mar 7 to raise money for the Wake County Special Olympics!

**All Mad Hippie products are 20% OFF!** We are so excited to share their amazing products this month. Our customers' favorite? Hands-down, the Vitamin C serum.

This antioxidant-rich product protects against sun damage, decreases acne and redness, and helps brighten aging skin.

But don't just take our word for it. Check out their [press page](#) to see how their effective, cruelty-free skin care line is winning awards and turning heads.

**Bonus!** Stop by between 1 and 4 on **Mar 14** and their rep will be here offering in-store customers **buy two, get one free.**

## Speaking of Vitamin C, what does it do for your skin anyway?

At **20% off**, this is the **best month** to try out Mad Hippie's Vitamin C Serum and Triple C Night Cream. But how does Vitamin C affect your skin? Can it really reduce wrinkles?

The answer is yes! It really does live up to all the hype—from treating acne to brightening. Our [newest March blog post](#) explains how.
